

JORDI CASTRO

jordi.castro003@gmail.com • (479) 231-4588 • <https://jordicastro.dev/> • Rogers, AR

EDUCATION

University of Arkansas, Bachelors of Science

Graduated: May 2025

Major: Computer Science

Minor: Mathematics

GPA: 3.75

PROFESSIONAL EXPERIENCE

SupplyPike

Rogers, AR

Software Engineer Intern

May 2025 — Aug 2025

- Developed production-level, full-stack features for the SupplyPike application using React and TypeScript
- Designed and implemented new Core API endpoints and admin tools, applying UX best practices and team feedback to improve application efficiency
- Contributed 31 pull requests across 3 repositories, refactored legacy code, and collaborated in Agile ceremonies

University of Arkansas

Fayetteville, AR

Research Assistant

Aug 2021 — May 2022

- Conducted side-channel attacks on post-quantum cryptography utilizing a ChipWhisperer and UFO board
- Presented findings at the University of Arkansas Honors College Symposium, demonstrating the vulnerability of Crystals-Dilithium to side-channel attacks
- Built a full-stack Next.js web application to connect researchers with UARK's PQC equipment for leakage testing

PROJECTS

Walmart AI Workshop

Veggie Vision (Python, Swift)

Apr 2025 — May 2025

- Developed a computer vision model to detect and classify bagged produce, improving throughput in Walmart self-checkout lanes
- Built a custom dataset and trained an RT-DETR-v2 model, integrating it into an iOS app for real-time demonstration
- Optimized the model with quantization and ONNX Runtime, achieving <0.1s inference on bagged produce on mobile

Text Inference Application

Shakey Text Inference (Python)

Mar 2025 — Apr 2025

- Trained and evaluated N-gram language models on 20 Shakespeare plays, deploying the models and results on a Streamlit web application

SKILLS

- Languages: TypeScript, Python, Java, C++, Kotlin, Swift, SQL
- Tools: Docker, MongoDB, PostgreSQL, PyTorch, Git, React, Tailwind, Figma/Illustrator, GSAP
- Spoken Languages: Bilingual native Spanish speaker

VOLUNTEER & LEADERSHIP EXPERIENCE

UARK Computer Science Club (ACM)

Vice President

Sep 2022 — May 2025

- Coordinated campus networking events, hackathons, and internship opportunities, partnering with local software companies for *Tech Talks*
- Volunteered at the *Hour of Code* for local elementary schools
- Organized *HogHacks*, the largest hackathon in Northwest Arkansas, securing \$13K in funding and attracting 200 participants
